Re: Hafif v. Rabbi Eli J. Mansour, et al.,
22-CV-1199 (LDH)(RML)

Dear Honorable Court:

I have complied with the Court's request to submit an additional notarized affidavit in support of my motion for alternative service which was filed several months ago. I have not received an update as to when this Court will issue a decision on said motion. All I have received is an order directing me to file a letter in response to the letter requests from the Defendants to have this action dismissed which was filed after I filed my motion to have the remaining Defendants served. Please advise.

Respectfully Submitted;

/s/ *Dibo Hafif*
